### Class One

#### Turkish Oriental Dance:

It is said that Turkish dancers strut an Egyptian dancers glide - come and see the dance that the historians said would "melt a stone." This workshop includes a short compare and contrast of Turkish Oriental and Egyptian Oriental, a brief history talk and a description of the features of a Turkish Oriental show. Then we will dance, dance, dance as you will learn short Turkish style combinations including steps, turns, hip articulation, abdominal work, knee lifts, arm postures and full body undulations.

**Saturday 11:00am - 1pm \$60.00** \_\_\_\_\_

### Class Two

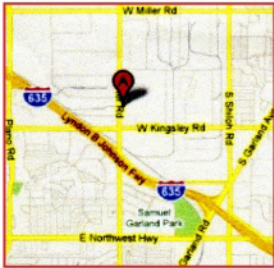

#### Turkish Romany (Gypsy) Dance:

The Turkish Romany (Gypsy) people have performed in Turkey for the past 1,000 years and they were the most famous street performers during the Ottoman Empire. This is the mother of Turkish Oriental dance. This workshop includes the trademark moves that differentiates it from Turkish Oriental and from fantasy Romany dance. I will teach steps, hip and pelvic articulation, isolation, gestures and some short combinations. This material is perfect for your Tribal, Oriental or Romany dance vocabulary. This workshop separates fact from fiction about Turkish Romany dance history and culture.
