DiNa

She's back! Little Egypt is proud to bring Dina back, but this time for her very first appearance in Canada, She is one of the most talented Egyptian dancers of our time. The darling of the current dance scene in Egypt and star of the big screen, Dina has reached superstar status all over the world.

Her graceful body movements and emotional facial expressions show off her love for dance. Audiences are left mesmerized by her amazing dance performances that reveal admirable talent and years of practice.

Dina will be demonstrating her own subtle yet dynamic techniques in a two day seminar. If you missed her last year in Minnesota, this is your chance to be... mesmerized.
